

Object List (Cost Center/Activity Type or Business Process)

Description

- **OBJECT_INDEX** - Index uniquely identifying the row, and thereby the object. The index must be greater than zero, and may not appear in the table more than once.
If the index does not occur in the INDEXSTRUCTURE, the system ignores the row.

- **COSTCENTER** - Cost center to be planned.

- **ACTTYPE** - Activity type; can only be filled together with COSTCENTER.

- **CO_BUSPROC** - Business process to be planned.

- **ORDERID** - Order to be planned.

- **WBS_ELEMENT** - WBS element to be planned.

Only one object may be filled, COSTCENTER, CO_BUSPROC, ORDERID or WBS_ELEMENT.
